

Coral Pethers

I have been a senior Obedience Judge since 2004 and a Tracking Judge since 2005 as well as being a Foundation Judge in Rally Obedience, Track & Search and Dances With Dogs. During that time, I have judged at the Brisbane Royal on several occasions as well as all over Queensland and northern New South Wales. I have also had the opportunity to judge in Melbourne, Perth, Malaysia and at the Sydney Royal in April 2017.

As well as judging, since 1980, I have enjoyed competing with my dogs in Obedience, Rally Obedience, Tracking and Dances With Dogs. This has mainly been with my German Shepherds until the recent addition of a Papillon.

I am the Queensland Representative for Dances With Dogs, the Chair of Judges Training for DWD, Tracking and Track & Search and on the training panel for Obedience in Queensland.

My involvement in the dog world has spanned many years and I particularly enjoy judging the German Shepherd Dog as they have been such an enjoyable part of my life since becoming a young adult.
