

THE GERMAN SHEPHERD DOG CLUB OF QUEENSLAND (Inc.)

FEBRUARY-MARCH 2018 NEWSLETTER

Apologies to members who haven't received a Newsletter since November 2017. A big year for our small band of Committee members with many facing burn out at the end of last year. However, after some much-needed R & R here is what's been happening since your last Newsletter.

DOG LOVERS SHOW 4th & 5th NOVEMBER

Some of the 'Saturday Team'

Some of the Sunday 'Team'

Members of the Committee, members and 'friends of the breed' were out in force for the 2017 "Dog Lovers Expo" at the Brisbane Exhibition Grounds, Fortitude Valley in November. A fabulous day and great PR for our wonderful breed!! Thanks to all.

Congratulations to Barry O'Rourke who was presented with a Life Membership at the AGM. Barry retired as a GSDCA Breed Surveyor at the end of December. A life time of work and commitment to the breed both at a National and State level. Thank you, Barry.

The Club again made a small profit in the 2016-2017 financial year. Particularly pleasing to see that the 2017 GSDCA National Show & Trial made a sizable profit. The three-year commitment by the National Show Committee plus the many, many members who supported the Club during the journey was outstanding. All Queensland members should be delighted that once again the Club hosted a most memorable event.

Huge shout out to Gail Donald for producing the Club's 2018 Christmas calendar. Top effort and great PR for the Club and the breed. Thanks Gail.

VISIT TO OXLEY POLICE DOG SQUAD

On Friday 22 December 2017 the GSD Council of Australia Patron, Dawn Fraser AO, MBE., her daughter Dawn-Lorraine, grandson Jackson (pictured above) along with GSDCQ Media/PR officer, Annie Tamblyn were welcomed at the Queensland Police Dog Squad Headquarters at Oxley to meet and name the newest members of the Dog Squad - 10 week old Police puppies Kayla & Kimberley (named by Dawn). Following the meeting and naming of the puppies, Dawn, Dawn- Lorraine, Jackson and Annie were then invited by Inspector Paul Austin and Officer in Charge, Snr. Sgt Clint Thomasson and some of the Police Officers for a tour of the facilities and kennels to meet some of the four-legged members of the team. A great day for all who attended.

Show Training re-commenced at Durack:

Show training at Durack re-commenced on 7th February. Thanks to Sue Bruno & Julie Hogan-Smith who have taken control of show training each Wednesday night at Durack Sports Grounds, King Ave, Durack. Training is from 7.30 pm to 9.30 pm. Enquiries to Sue Phone 0428 388482.

Bunnings 14th January 2018

Thanks to Club members Bob Anderson, Mandy Doyle, Sue Bruno, Lachlan Wharton, Sharon Ballantyne, and friend Naomi Ambrose for their assistance at the Bunnings Bethania BBQ fundraiser. Just over \$900

raised towards events this year.

War Dog Memorial at Durack:

On the 4th February 2018 a small group of members from the German Shepherd Dog Club of Queensland attended the very special unveiling of the War Dog Memorial Statue at the Dogs Qld Sports Grounds at Durack Queensland. GSDCQ President Sharon Ballantyne and GSDCA Patron Dawn Fraser, AO MBE, laid a beautiful wreath on behalf of the German Shepherd Dog Council of Australia. The statue was made extra special for our fraternity as the dog is a German Shepherd. He sits alert and proud outside the main building at the grounds.

Those also in attendance were past Presidents and Life members Diane Ballantyne and John Hansen, Life member Barry O'Rourke and Club members Syd and Heidi Lewis, Jo Morgan, Sarah Gordon and Carol O'Rourke. The Club would also like to thank past President Rodney Vernon for his work behind the scenes on this project with Dogs Queensland.

CATCHING UP....

It has been a busy training period for our show members with the 46th GSDCA National German Shepherd Dog Show & Trial looming ever closer.

The event was held in the city of churches, Adelaide, in perfect autumn sunshine on a superb grassed sports ground. Our members enjoyed great success over the weekend - and we extend our congratulations to you all.

Mr Pieter Tjerkstra judged the German Shepherds at the Working Dog Club of Qld's Show held on the first weekend of May.

Congratulations to the winners once again. The first trial for the club calendar is on 14 July 2018 to be judged by Barbara Murfett. All Schedules are available on our website: www.gsdcqld.org.au

PRESIDENT'S NOTES

WELCOME TO THE NEW-LOOK GSDCQ NEWSLETTER

Moving forward we will be looking for articles of interest to include in each edition, this can include member achievements within our community, we are looking for something a bit different to showcase our amazing breed and their versatility. We also encourage the up and coming membership from all areas of GSD interests and disciplines. Articles of interest can be emailed to Gail at gscqbreedaffairs@gmail.com.

A small group of Queensland members attended the German Shepherd Dog National Show & Trial in Adelaide, congratulations to the breeders & exhibitors who brought home a variety of high placings including the gold medal female and silver medal male. A huge achievement considering we are one of the smaller clubs with limited entrants.

Congratulations also to club members Mrs Annie Tamblyn, Mrs Vyvyan Mannion and Mrs Coral Pethers for their recent recognition to be included on the GSDCA Preferred Obedience Judges List.

It would be remiss of me not to mention the resignation of our NBC Chairperson Melanie Groth; I respectfully understand her decision. It deeply concerns me though who will step up and continue to work for the breed and ideals of what Council should be portraying, perhaps in one of the most important positions on the GSDCA. I encourage any member who would like to see an agenda item placed on the July NBC & Judges meeting to please contact me directly; this is the place that can start the process of change.

We look forward to our upcoming events and encourage the membership to come and support the club at these events, even if it is just to socialise and enjoy some time with the dogs.

Until the next edition enjoy your German Shepherd Dog and be kind to each other.

Sharon Ballantyne

The German Shepherd Dog has an average lifespan of between 10 to 13 years. Achieving the age of 13 is a wonderful achievement, not only for your German Shepherd companion but also for you, the owners, in providing such great care and love to achieve this milestone.

Taking inspiration from GSD Club of Victoria – the GSD Club of Queensland proudly presents it's very own 13 Club, a way in which a dog having celebrated it's 13th birthday, along with the owner and breeder, can be recognised.

A certificate in honour of this achievement will be issued and signed by the President of the GSDCQ to those applications successfully verified.

The application is on the GSDCQ website under the Forms tab.

SUMMER NEWS

NOVEMBER 2018

The German Shepherd Dog Club of Queensland (Inc)

A GREAT P.R. EVENT THE DOG LOVERS SHOW!!!

Attendance numbers were definitely on the increase at this year's Brisbane Dog Lovers Show held recently in Brisbane.

Our GSDCQ team was there in force providing lots of great information about the Breed and most importantly enjoying lots of cuddles and pats with some very gorgeous German Shepherds ! A very big thank you to all those club members who gave of their time to make this a great PR event for the Club. Extra attractions were Dr Harry, Dr Katrina & The Wonderdogs and the new Bondi Vet Alex Hynes. The next Dog Lovers Show is scheduled for 2020.

PRESIDENT'S NOTES:

As the year draws to an end, I am pleased that the committee has been successful in offering a wider variety of GSD activities, to not only our current membership, but with the view of trying to encourage all GSD owners to attend events that are not just skewed toward the "Show Dog". We are one of the few breed clubs that are able to offer this due to the versatility of the German Shepherd Dog. In my opinion this is an area of the Qld club that should be a priority for any committee each year.

One of the highlights has been the Dog Lovers Show, this is an event that saw approximately 15 000 people come through the gates. The Club had a great stand and attracted a huge number of people to it. This type of PR for our breed is somewhat unique due the diversity of people that come by the stand and stop for a chat. During the year we have included a Herding Trial, Introduction to tracking workshop, as well as our normal events which have included the Group 5 Obedience Trial, Brisbane and Zone 2 Members Competitions, Double Header Championship Shows, and

Restricted Trial, and five Breed Surveys.

I would just like to take this opportunity to thank my committee and those members who have helped me throughout the past 3 years during my role as President, you have made it so much more enjoyable. Now is the time for some me time and time for my own dogs. I will always be here to help where I can.

I wish all members a safe and happy Christmas and best wishes for the year ahead.

WHY IS IT CALLED A GERMAN SHEPHERD DOG?

The German Shepherd Dog is one of the few breeds whose official name actually includes the word “dog”. This is a bit weird – or is it? The word “dog” was added so people understood whether you were talking about a human German Shepherd (someone who tends the livestock), OR the dog helping him.

Do not ever feed the following substances as they are toxic to dogs (note this is not an exhaustive list): onions, onion powder, garlic, chocolate, coffee or caffeine products, mouldy or spoiled foods or compost, avocado, bread dough, yeast dough, grapes, raisins, sultanas (including in Christmas cakes etc), currants, nuts including macadamia nuts, fruit stones (pits) e.g. mango seeds, apricot stones, avocado stones; fruit seeds, corncobs; green unripe tomatoes, mushrooms; fish constantly, cooked bones; small pieces of raw bone, fatty trimmings/ fatty foods, Salt, Xylitol (sugar substitute found in some products such as some types of sugarfree chewing gum, lollies, baking goods, toothpaste and sugarfree peanut butter).

SUMMER HEAT REMINDERS

Take your dogs for their exercise early in the morning in summer, before the day gets too hot.

When you take your dog for a walk, it is not just the heat from above that can be a hazard — think about the ground under the dog's paws.

Take them to cooler areas. Walk them on the grass if you can.

Some dogs do not know when to stop, and this can be dangerous in the summer months.

If you're throwing a ball, you're not getting as hot as the dog who is chasing the ball constantly. Some of our young and active dogs, they're not going to think about stopping exercising when they should stop. They will keep running and running until they go into heatstroke.

Dogs that are catching balls in waves, they can also be taking in salt water which can make them vomit and also give them diarrhoea, and it can be lethal for them if they've taken in enough salt water.

Always ensure your four-legged (or feathered, or scaly!) friends have **fresh clean water** every day and lots of it! More than one dog has been known to simply upend the water dish in an attempt to cool down too, so you may also need to top it up regularly (or make it easy on yourself and buy a shell pool!).

NEVER LEAVE YOUR DOG IN THE CAR !!!

Not even for 30 seconds. Even on cloudy days, the temperature inside the car will increase very quickly — even with the window down or the air conditioning on.

Dogs in particular are at severe risk of heat exhaustion and death in this situation, so it's never worth the risk.
