PRESIDENT'S REPORT

Happy Easter everyone, I hope everyone had a great time and didn't eat too much chocolate. After the short COVID lockdown here in Brisbane we were very relieved it was only for 3 days. Unfortunately, that meant postponing the General Meeting again.

I would like to encourage as many country members as can to join in on the General meetings via ZOOM. We are limiting the numbers to 20 at the start. Thank you to our Judge Mrs. Nicky McDermott (pic) for judging our March members competition. A good day was had by all though it was very hot. I am so pleased we are moving into cooler weather.

Our Secretary has been in hospital, but is now back on deck though moving very slowly at the moment, we all wish you a speedy recovery Garry.

The members competition and Survey in August for Bundaberg (Bullyard) has been approved and so has the Breed Survey in June in Ingham.

We look forwards to a double header members competition in May, and we are having a Double Rally Trial.

The club is having a fundraiser for the July Champ show and the Bundaberg competition with the Puppy tunnels as the prize at each event. Tickets will be able to be purchased on show manager.

Stay well and safe everyone

Regards Sharon Thorp

President GSDCQ 2021

Resume

Jessica Kada - JAKNELL

NSW Australia

Born into a family totally dedicated to German Shepherds I have been actively involved with our wonderful breed from a very young age.

I began showing at the age of 7 and have since been extensively involved with showing our own animals as well as handling for other people. I breed, train and show under our prefix JAKNELL, based in NSW Australia.

I have been very lucky to have had the opportunity to handle some of the top Australian bred animals over the years, as well as various German imports. I have also attended the Sieger Show in Germany on a number of occasions and in 2009 I had the privilege to handle dogs at both the Sieger Show and UK Sieger show.

Together with my Mum we have bred numerous Excellent & Excellent Merit graded animals, Breed Classified dogs, Australian Champions and Best In Show winners. We travel all around the country showing our dogs and being involved in GSD activities.

We have been very successful at National Shows, with numerous Class, Challenge and Medal wins.

Some of our recent successful dogs include CH *Jaknell Coz IM TNT AZ - BIS Winner, *Jaknell Sweet Painted Lady AZ - Bronze Medal Winner 2017 National and *Jaknell Ruby Tuesday AZ – Silver Medal LSC Winner 2019 National

I have participated at club level in various roles within the German Shepherd Dog League of NSW as Youth officer, Point-score Officer, Membership registrar and currently hold the position of HDED Registrar.

On a daily basis I work with breeders and exhibitors worldwide in my role as Director of Sires On Ice, a Canine Semen Reproduction and Semen Transport Company.

GSDCQ Zone 3

In February the Cairns City Kennel Club hosted Glynis Hendricks from Haveloc German Shepherds for a fantastic competition obedience workshop. Handlers had the opportunity to learn many new techniques to train the precision required to perform at the highest levels of obedience competition. Glynis has over 30 years experience and regularly competes at the highest level of IGP sports. Glynis was very generous to share her knowledge and teach us all how we can improve our training, our handling and our relationship with our dogs. We cannot thank Glynis enough. Many handlers will agree that this was the best obedience workshop we have ever had. (pics Zone 3 Jess Gillies and Echo with Glynis).

GSDCQ ZONE

2 NEWS TRAINING

GSDCQ Zone 2 members have been able to secure a permanent site, (above pic) to hold weekly show training. Zone 2 Rep Bronwyn Hurley approached the committee of Bullyard Hall & Recreation Club Inc to discuss regular training. Bullyard Rec Committee is happy for GSDCQ to utilise their grounds. These grounds are fully fenced which will enable Off Leash Training as well.

Training is headed up by Margaret Reidy who generously donates her time to train the local dogs. Thus far Margaret has helped train three Zone 2 dogs to be ready for breed survey including; Komatzu Burlesque AZ BSCL, Astasia Pacco AZ BSCL and Imagick Guiletta AZ BSCL.

We look forward to more positive results from our Zone. Pics of Zone 2 members below.
