

Sunday 16<sup>th</sup> May 2021 GSDCQ Members Competition  
Judge: Ms Jessica Kada (NSW)

On Sunday 16<sup>th</sup> May I had the pleasure of judging in sunny QLD.

The show was well run, everything was organised, there appeared to be a reasonable crowd of spectators which was great to see, and we had lovely weather! There was also a Rally O Trial being held in conjunction with the show which was great for people to be involved in and also for the spectators.

Overall the entry was average for a small members competition in the current climate. For me the type and quality throughout the show, in both stock coat and long stock coats was fairly consistent. The overall quality was pleasing; however, this show only being small, a few of the bigger breeders were not present.

I would like to thank those interstate exhibitors who made the effort to come and show and thank you to all exhibitors for your entries.

The total entry of 57 was made up of 32 Stock Coats and 25 Long Stock Coats.

For me overall the animals were of good quality. Some nice youngsters coming through, and the adults presented were as a general presented in very good condition. Overall the type presented was pleasing and fairly consistent throughout the classes.

Predominant faults seen throughout the show ranged from restrictions of the forehand - upper arm including length and lay and in some instances colour. There were some issues with tightness of hocks and elbows. Particularly in the older classes I would have liked to have seen the hocks a little firmer overall.

Overall height was not an issue, and all animals exhibited measured within size which I feel is a great outcome, however some animals should not become any deeper.

Some stand out animals were presented in both the Stock Coat and Long Coat classes, and what was pleasing to see was although still smaller in number, the overall quality of the long stock coats should be commended. Notably the Best of Breed LSC was presented in lovely coat condition, firm and dry. It was also lovely to have the opportunity to judge a couple of solid black long stock coats. I was particularly pleased with the Junior Dog LSC male, he is a very well constructed dog who I think has a very promising future ahead of him.

For me there were not really any dominant sires at this show, this was very much a mixed bag. However the sires represented the most consisted of Conbhairean Freddie, Django vom team Panoniansee, Chili Della Valcuvia and Eroica Ice Ice Baby. The majority of animals in the stock coat classes represented by the first 3 sires, and predominantly the long stock coat classes represented by Eroica Ice Ice Baby.

I would like to thank the president Sharon Thorp and the GSDCQ for the invitation to judge and for organising me for the weekend. Also to the committee for all their hard work to prepare for the show and ensure its smooth running on the day. Last but not least my steward Peter Tjerkstra, thank you for your smooth running of the ring, and for assisting in making it an enjoyable day.

Jessica Kada
