

Judges Summary

Firstly I would like to thank the German Shepherd Dog Club of Queensland for inviting me to judge their Championship Show. Also I congratulate the committee on the very well organisation and special thanks to Fred Flower and Sharon Thorpe for the hospitality shown to me.

The Show commenced at approximately 11:00 am after the conclusion of the Open Show in glorious sunshine which lasted through the duration. Queensland is fortunate in having a number of very experienced handlers of great skill, which makes for very good presentation of the dogs, which makes judging the dogs very enjoyable. I would like to compliment the handlers and owners on their very good sportsmanship.

With Covid and the closure of the Queensland/New South Wales border the entry was limited to 45 which makes any commentary on bloodlines problematic. Overall the quality was very good in both the Long Stock Coats and Stock Coats. Overall hind quarter angulations were very good with broad thighs, also depth and length of underchest were in general very good. Major area for improvement is the length and angulation of forequarter which in my opinion is a worldwide issue for our breed.

I was very pleased with my Best in Show winner who I thought was a very well balanced bitch without exaggeration.

Peter Flynn
