

# German Shepherd Dog Club of Qld -

Championship Show

3 July 2022

Judge - Vincenzo Tantaro

I would like to thank the Members and Committee for the opportunity to once again judge a GSDQLD Championship Show.

I also acknowledge the support of exhibitors, those from Interstate left home in trying conditions that only worsened during their sojourn to the Sunshine State- I trust that despite the challenges presented to all yet again this year that all are ok and on the road to recovering.

I thoroughly enjoyed judging the classes as presented and made similar observations as seen by all of us at the GSDCA National show which was held 4 weeks earlier.

I trust my judgement and comments made are noted- it is my belief we are treading water at the moment and whilst the quality of our animals is overall very good, we must be mindful that we need to step up to another level in order to avoid further compounding entrenched faults.

We have now established in my opinion a very good base however we cannot afford to ignore: weak underjaws, weak forefaces, standing not correct in front, incorrect height to chest proportions leading to over developed fore chests, , deep hindquarter angulation, length of loin & short under chests.

The GSD is fast becoming a short legged, long dog that will no longer have the required 24/7 endurance of a working dog!

Thanks to Gail Perkins and Jean who ably assisted me in the ring. Thank you Les & Brenda Hersant who kindly looked after me pre show. Special mention and thanks to Gail Donald who captured the weekend beautifully with her photography!

A big thank you to the GSDCQld Show Committee and members/visitors who assisted in making this a most memorable show.

Job well done!

Best wishes to all:

Vincenzo Tantaro

Long Stock Coat Minor Puppy Bitch		Grading
1	<p><b>AWESAMSHEP ISLA</b></p> <p>Above medium size, strong substantial very well coloured and pigmented, very good type, very good head desired expression, ideally the under jaw should be stronger, high wither firm back well moulded croup, stands correct in front very good fore and under chest very good fore and very good hindquarter angulation. Steps slightly narrow behind hocks should be much firmer. Movement shows very good reach powerful drive with a high wither line.</p>	Very Promising
2	<p><b>GABMALU JAVA</b></p> <p>Above medium size, medium strong, substantial well coloured and pigmented bitch very good type feminine expressive head good length of neck high wither firm back short steep croup stands correct in front with goof gore and vg hindquarter angulation good chest to height ratio. Steps correct behind with good firmness of hock joints, movement shows good ground cover where the reach and drive could still be more effective.</p>	Very Promising
Junior Bitch		
6	<p><b>WILDHERTZ STALKING WOLF AZ</b></p> <p>61.5, 28</p> <p>Oversize, medium strong substantial well pigmented bitch, very good overall proportions, strong but still feminine head, very good length of neck, high wither firm back slightly short steep croup, well developed fore and underchest, stands not quite correct in front, very good fore and hindquarter angulation.
