

German Shepherd Dog Club of Qld -

Championship Show

3 July 2022

Judge -Alastair Henderson

German Shepherd Dog Club of Qld. held two Championship Shows over the weekend July 2Nd and 3rd, 2022. With Vince Tantaro judging Saturday and myself on Sunday. The weather on Sunday was fine, sunny and not too hot for the dogs.

With the small entry the show finished in good time and with the help of the club's hard working committee headed by Fred Flower as show manager, Sue Bruno and Sharon Thorp. Special thanks to my Stenographer Nicky Jones who certainly made my job a lot easier and of course my steward Jean.

Even though a number of dogs were not presented owing to rules that are quite restrictive and some small minded individuals lodging a complaint, there was as a whole many very good animals presented and the class winners overall of very high quality.

Probably since Long Stock Coats have been a separate breed, this is the first time I have awarded them Best in Show. They were presented in top condition and handled to a high standard to complement their very good construction. I certainly would like to congratulate the breeders of Kaygar Esther and Eroica Ice Ice Baby.

As in many shows the issues of deep hindquarter angulation and steep shoulder blades are prevalent. But saying that I tried to take that into account but still promote dogs of type near to the standard.

The main progeny presented were sired by Chilli Della Valcuvia, Conbhairean Freddie and Dingo de Casa Mary. Unlike other shows Wulkano Uno von Schnitzerteam does not seem to have been used here yet.

Gun testing was held in all open classes with all dogs not showing any concern.

A special mention must be made of the efforts of the club to provide a trophy table that was of such a high standard that will set the bar for other clubs to follow. Well done.

Lastly many thanks to the exhibitors for accepting my placings in a sportsmanlike manner and it was great to catch up with many long time friends.

Thank you to all involved.

Long Stock - Minor Puppy Bitch		
1	AWESAMSHEP ISLA 8mths large, strong, female vg type, and strength, feminine head, where planes could be more balanced, good withers, clean top and underline, croup is short and steep, good fore and vg hind	Very Promising

	angulation. Stand correct in front. Steps close going, correct coming, tail has pronounced hook and is long, during movement displays vg drive and good reach maintaining a good outline.
