11th September 2022

Judge: Greg Green

2022 Queensland State Breed

I would like to thank the German Shepherd Club of Queensland for the invitation to judge their State Breed Exhibition. I would also like to thank the Committee for all their efforts in putting on a great day for both exhibitors and myself. Thanks go to my Ring Steward Glen and Steno Marie for making my job run smoothly.

The entry was 74 animals, with entries coming from as far as North Queensland, Victoria, Western Australia and New South Wales. I would like to thank the exhibitors for their entries and also the sportsmanship the atmosphere on the day, it was pleasing to see the Queensland Club coming together as a unit and putting on a fantastic event.

I was impressed with the well above quality animals presented to me, from a number of Different Sires with the most dominate Sire being Chili Della Valcuvia with 9 Class winner. General picture overall was of very good quality with only two being measured oversize. Pigment and colour was very good. Heads were generally very good with some with the planes could be better aligned. Neck carriage particularly in stance in some cases are being held slightly erect. Withers normal to high.

I believe that the issues that need to be taken into consideration are Neck carriage, length and lay of the upper arm, length and lay of the croups and in some cases the slightly deep hindquarter angulation and firmness of hocks.

I awarded the Excellent Merit based on overall type, quality, performance and progeny or their future potential to influence the breed.

Once again thank you to the Club and in particular the exhibitors for supporting the show.
