PRESIDENT'S MESSAGE

German Shepherd Dog Club of Queensland Inc.

Happy New Year everyone, I hope all members and their dogs had a wonderful Xmas.

It has been really strange weather for QLD with searing heat, cyclones and flooding rain.

I am sure we are all looking forward to cooler weather.

I will be attending the GSDCA AGM in February 2024 as the club delegate, and look forward to reporting to members. At that meeting I will be presenting an update of the planning the 2025 GSDCA National Show and Trial.

It's terrific we have a Sub Committee of 20 + people to help with the event, and most positions are filled, which is fantastic. The big raffle for this event will be a CAR, which is terrific and thanks to Fred Flower for organising.

We have a change in some committee members as reported in my GSDCQ Agm report which has been circulated to members.

Tracey Rehberg – Secretary

Teale Shapcott – HDED

Alison Drinkwater – Minutes Secretary

Andy Drinkwater Zone 2 Rep.

The club has lots of plans for 2024

- Breed Survey, Open Show, and Members competition in March
- Double header Championship show in July.
- Possible fun day and Zap in June subject to Dogs QLD approval.
- Waterloo Kennel club have afforded us the opportunity to have a specialty judge on 21st September 2024 where we can have our normal size ring and Imran Hussain will judge the GSD that day prior to the API event.
- To that end we have decided not to have a member's competition the day before the State Breed in October, but rather a Zap Day.
- We will be ascertaining how many people in zone 2 that will have a dog/s ready to survey and the interested in having a survey in this Zone, in 2024.

National Fundraising is going well with the Bunnings BBQs, with another one scheduled in February.

Show training has recommenced, and Obedience will recommence shortly.

I hope to see a lot of you at our March weekend

Regards Sharon Thorp

President GSDCQ 2024

SIEGERIN CASTASTAR INCANTATION
AZ – J HOGAN-SMITH

INCANTATION has had 8 progeny, 1 AZ and 1 through Breed Survey. In the show she produced a daughter from Chili who was awarded Excellent in the Open Class and the Junior Bitch winner from Alwyn along with her own very good construction she was worthy Siegerin and Excellent Merit. SIEGERIN KAYGARR ESTHER AZ – G &
K Williams

Being just over 3 years and of high anatomical worth I had no hesitation in awarding her an Excellent Merit. For me it is time for her to have a litter which I would expect to have some quality animals in it owing to her being so well constructed and in the type of her father who I also gave the Excellent Merit award. AUST *CH EROICA ICE ICE BABY AZ
BSC – G & K Williams

Ice Baby has produced 81 puppies to date, 13 A stamps and 14 Z stamps, with 6 Breed Surveyed and 1 completed the ZAP Assessment to date. He has no line breeding and is of high anatomical worth along with some very good progeny made my decision to award him Sieger and Excellent Merit an easy one.
